Our Aims

To offer experiences to children that enable them to use their innate curiosity and desire to learn.

To provide an environment that is stimulating, loving and caring - and welcoming to all who use it.

To recognise the importance of working with families, involving them in their child's learning.

To give children the autonomy to develop and learn within a safe environment.

To offer opportunities with equal regard to all children and families, celebrating diversity and individuality and promoting anti-discriminatory behaviour to all those attending the nursery.

Our Ethos

We are committed to providing the highest quality of care and education to enhance the potential of all children.

We respect and value each child and family within the community we serve and strive to work in active partnership with all.

Our practitioners are partners in learning and provide a responsive child centred practice, in which children are supported to learn through play.

We respect and care for our rich learning environment as a place of both purpose and beauty, which supports the work and well being of all within our nursery.

Fees

No charge is made when the nursery closes for bank holidays, inset days or during the Christmas period. However, fees remain payable if your child is ill or on holiday. Fees must be paid four weeks in advance.

NB: Where the nursery has to close due to circumstances beyond our control, eg. adverse weather conditions, power failure etc, fees will be charged as normal.

Supporting Children with Additional Needs

Our nursery has a Special Educational Needs Coordinator (SENCO), Michelle Jacques. Her role is to support children who have additional needs, helping them to reach their developmental milestones.

She will liaise with the key person and other professionals to set developmental appropriate targets to support the child's individual development.

Visit our website for further information about our 'Local Offer'.

Help with Fees

Assistance towards the cost of childcare is available through the Working Families Tax Credit scheme. Please ask the Nursery Manager for details, or contact the Job Centre or the Tax Office for an application pack.

Your 2-year old may be eligible to attend these sessions FREE if your family receives certain benefits. And now families receiving working tax credit with an income of less than £16,190 are also eligible.

3-year olds are entitled to receive 15 hours of FREE childcare for the term after their 3rd birthday. We are also able to offer 30 hours funding for 3 year olds, although there are limited places available.

Structure

Staff child ratios are:

1:3 for 0-2 year olds

1:4 for 2-3 year olds

1:8 for 3-5 year olds

Each child has a key person who will work alongside you and your child to ensure that your child's needs are fully met.
