SALT Music is held in the Music Room at the Priory Children's Centre. Please ask to be referred to this group by a health professional or your child's nursery. Or call our team directly for more information.

Priory Children's Centre

Tue

1.30-2.30

SALT Music offers musical, playful approaches to support children's speech, language and communication development.

The group provides a nurturing, safe space for parents and children to play and have fun together in a supported environment.

The sessions are run by the Music Team, including a Speech & Language Therapist, at the Priory Children's Centre.
