Great Yarmouth and Gorleston Sure Start Children's Centres

Circle of Security

By referral ONLY. A 9-week programme for parents.
Runs from 2 Oct to 4 Dec. A creche will be provided.

Priory Children's Centre

Tues

10.00-12.00

'Research shows that children are happier, more sociable and have higher self-esteem if they have a secure attachment with their parents.'

As parents, we can help our children to develop this emotional security by understanding what they need at different times.

'Circle of Security' is an established course that helps parents to better understand how to create a secure attachment with their children.
