

Listening Project

Provides you with support in your home during the later stages of pregnancy and after your baby is born. Please ask your midwife to be referred to this group or contact us directly

By referral only

Pregnancy can be a difficult and lonely time, leading to low mood, anxiety and isolation.

The Listening Project provides you with regular listening visits over a 12 week period to help you to feel less isolated, supporting your well-being and allowing you to develop a secure bond with your baby.
