Summer Programme
19/7/17-8/9/17

Welcome

... to our summer trail of discovery & adventure ..

Our adventure opens with the Play Rangers teddy bear's picnic, and some messy play the following week, when we'll be chilling and making friends. Together we'll take a voyage to the bottom of the sea, a trip through the bush for a giant 'jungle boogie', then a week's relaxation at our teddy bear's picnic. Our journey ends with some special circus festivities, so dig out your face paints and your best party clothes - and get ready for a big celebration in the park!

Our programme is for families with children aged 0-8 and all our groups are FREE! Don't forget to pack lunch and drinks, and to bring sun hats and sun cream (or waterproofs & wellies!).
