Theraplay® Informed Sessions

Individual sessions for families. Please book for this group through your Health Visitor or call the team for more info.

Priory Children's Centre

Thur

9.30-4.30

Theraplay® informed sessions provide quality time to enjoy and try new experiences together, in a nurturing and safe space.

Theraplay® can benefit children with ASD/ADHD or additional needs. We aim to enhance the relationship between the adult and child, by offering weekly fun sessions, on a set day and time.

Theraplay® is a registered service mark of the Theraplay® Institute, Evanston, IL, USA.
